

Wherever you go,  
go with all your heart.

Confucius

*If you are reading this it is because you made a choice. At some point in your life journey perhaps you heard the inner voice of guidance, or had an intuitive perception, which you chose to follow. And somewhere along the way that guidance led you here--to TMI, to a community of fellow consciousness explorers; to your deepest, most expansive self.*

*This issue of the TMI Newsletter is dedicated to all who follow the path of inner guidance.*
